Languages

English

I am Mladen Nikolov – cybersecurity enthusiast with a strong academic background from VUTP in Sofia, Bulgaria. My goal is to apply both theoretical knowledge and practical skills to protect systems, analyze threats, and contribute to innovative security solutions.

I actively document my learning and research on my personal website, where I share notes, HTB write-ups, CTF challenges, and other things. This reflects my dedication to continuous learning and staying updated in cybersecurity.

Professional Experience

Teacher

- Privately, Remote* September 2024 – October 2025
- 1-on-1 online programming classes with kids 5th to 8th grade.
 - Absolute basics. Introducing the kids to the world of programming and python through fun.

Intern

- Fibrant, Sofia, Bulgaria* June 2023 – July 2023
- Assisted with server rack population and equipment installation.
 - Performed network cable testing and cable management.
